

FERTILIZER FACTS No. 41

The South MUST Grow More Grain

The South must not be a slacker in growing grain this Fall.

Every acre available for planting oats, wheat, rye, etc., must be drafted into service, ploughed, FERTILIZED and planted.

The country calls for grain and MORE GRAIN. The South has proven that it is possible and profitable to grow grain. It is up to the South to grow more grain this Fall for

Patriotism and Profit
